

Breast Cancer Awareness

Wedding Dress Quilt Group – Happiness Is...Quilting!

Several ladies applied their considerable talents in the creation of this lovely quilt. Counter-clockwise from top left: Margaret Reed, Laura Kay Houser, Sandy Underwood, Andree Baca, Wendy Madeiros, and Kristal Yellin. Margaret has taught classes at our shop, Laura Kay is the owner and teaches several classes, and Sandy, Andree, Wendy, and Kristal have been or are now employees and/or teachers at the shop.

The “*Making Memories Breast Cancer Foundation*” offers many opportunities to participate in fund raising programs. “*Quilters Against Breast Cancer*” provided these ladies with the opportunity to do something they love – quilt! - which resulted in a stunning quilt creation that was returned to *Making Memories* to be sold/raffled to raise funds to help grant a final wish for a terminal breast cancer patient.
